2. Except as provided in the Act, all disputes arising under or relating to this contract shall be resolved under this clause.
3. Claim, as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. However, a written demand or written assertion by the Contractor seeking the payment of money exceeding \$50,000 is

not a claim under the Act until certified as required by subparagraph 4(b), below. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.

4. (a) A claim by the Contractor shall be made in writing and submitted to the Awarding Official for a written decision. A claim by the Government against the Contract shall be subject to a written decision by the Awarding Official.

    - (1) The claim is made in good faith;
    - (2) Supporting data are accurate and complete to the best of the Contractor's knowledge and belief; and,
    - (3) The amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable.
  - (c) (1) If the Contractor is an individual, the certification shall be executed by that individual.
  - (2) If the Contractor is not an individual, the certification shall be executed by:
    - (i) A senior company official in charge at the Contractor's plant or location involved; or
    - (ii) An officer or general partner of the Contractor having overall responsibility for the conduct of the Contractor's affairs.
5. For Contractor claims of \$50,000 or less, the Awarding Official must, if requested in writing by the Contractor, render a decision within 60 days of the request. For Contractor-certified claims over \$50,000, the Awarding Official must, within 60 days, decide the claim or notify the Contractor of the date by which the decision will be made.

6. The Awarding Official's decision shall be final unless the Contractor appeals or files a suit as provided in the Act.
7. The Government shall pay interest on the amount found due and unpaid from (a) the date the Awarding Official receives the claim (properly certified if required), or (b) the date payment otherwise would be due, if that date is later, until the date of payment. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Awarding Official receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.
8. The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Awarding Official.

**Sec. 8. Payment of Interest on Contractor's Claim.**

1. If an appeal is filed by the Contractor from a final decision of the Awarding Official under the disputes clause of this contract, denying a claim arising under the contract, simple interest on the amount of the claim finally determined owed by the Government shall be payable to the Contractor. Such interest shall be at the rate determined by the Secretary of the Treasury pursuant to Public Law 92-41 (85 Stat. 97), from the date the Contractor furnishes to the Awarding Official his written appeal under the disputes clause of this contract, to the date of:
  - (a) A final Judgment by a court of competent jurisdiction; or,
  - (b) Mailing to the Contractor of a supplemental agreement for execution either confirming completed negotiations between the parties or carrying out a decision of a board of contract appeals.
2. Notwithstanding 1, above:
  - (a) Interest shall be applied only from the date payment was due, if such date is later than the filing of appeal; and,

- (b) Interest shall not be paid for any period of time that the Awarding Official determines the Contractor has unduly delayed in pursuing his remedies before a board of contract appeals or a court of competent jurisdiction.

**Sec. 9. Retrocession.** The Contractor agrees to comply with the provisions of section 105(e) of the Act, as amended, and be guided by the procedures in 25 CFR, Chapter V, Part 900, Subpart P in the event of retrocession.

**Sec. 10. Re-assumption.**

The Contractor agrees to comply with the provisions of section 109 of the Act, as amended, and be guided by the procedures in 25 CFR, Chapter V, Part 900, Subpart P in the event of re-assumption.

**Sec. 11. Federal Tort Claims Act (FTCA):**

1. **FTCA Coverage:** For purposes of FTCA coverage, the Contractor and its employees (including individuals performing personal services contracts with the Contractor to provide health care services) are deemed to be employees of the Federal government while performing work under this contract. This status is not changed by the source of the funds used by the Contractor to pay the employee's salary and benefits unless the employee receives additional compensation for performing covered services from anyone other than the Contractor.

2. **FTCA Liaison:** In accordance with the requirement in 25 CFR, Part 900, Subpart L, subsection 900.188(a) the contractor agrees to designate an individual to serve as tort claims liaison with the Federal government.
